Well, here we are: The Final Staverton Bell of the year! As I think back over 2021-22, I can think of many challenges, but also many achievements. Here's a brief highlight reel of Staverton's year:

- September: New classes, new 'bird' theme. Read Write INC phonics introduced across the school.
- October: Family collective worships return! Whole-school trip to Slimbridge. COVID reaches another peak. New behaviour routines launched
- November: Anti-Bullying Week, Children-in Need, Remembrance, Parents evenings, lots of non-uniform days! Kita Mitchell visits.
- December: Flu vaccinations, nativities, carol services, Christmas!
- January: Cold weather, lots more after-school clubs
- February: National Ukulele day! Online safety day, yoga classes, mental health week
- March: Book week, Parents evenings, STAVFACTOR, closing for high winds
- April: Ramadan starts, Easter services, Robin's Easter play, Theatre show, Swimming sessions start
- May: SATS, Residential, Queen's Jubilee, New approaches to teaching reading and maths introduced
- June: Phonics and times tables, Sports week, Weymouth
- July: Lingleat, moving-up mornings, OFSTED!

Reflecting on the year we have just had, I have no doubt that next year will be just as eventful. However, our ambition will be just the same, to provide the best education that we can for your children and for Staverton. Have a wonderful holiday, and see you next year for even more adventure!

Eco-Council sunflower competition!

The Sunflower competition is about to end—please send in your pictures for September!

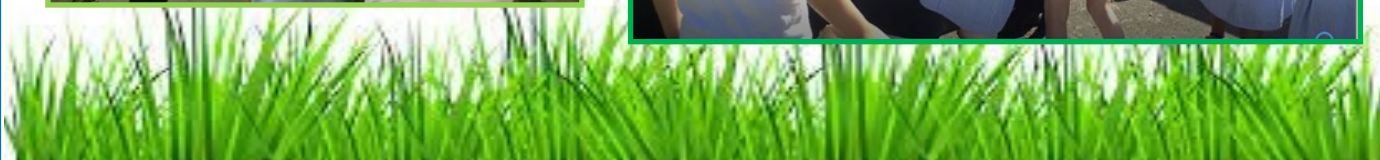

We have had this picture from Liam and can't wait to see how tall all of your sunflower have grown!

What we've been up to:

This term, Eco-Council has been looking at school food waste and how items are recycled in the kitchen.

We interviewed Sherrina and had a tour of the kitchen, where we thought about how we can improve food waste and recycling in the future!

SPORTS Day

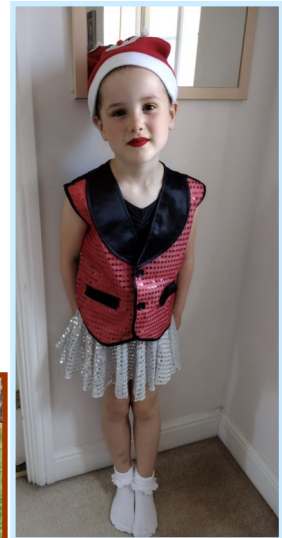

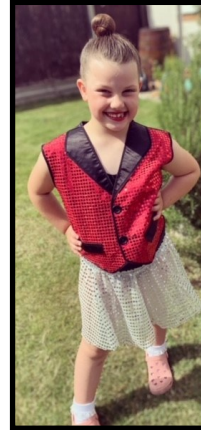

It was so lovely to finally have a Sports Day again post Covid — thank you Miss Smith and Miss Jeffreys for organising such an amazing day for the children!
Thank you also to Mr Green for taking these wonderful photos!
