

The Staverton Bell

October 2022 14th edition

Our year 5/6 children celebrating national poetry day reading in the sunshine!

Our INCREDIBLE Mrs Ibison crossing her Iron Man finishing line!

Robins class enjoying a lovely Autumn class

Welcome to the first Staverton Bell of the year. We have made it to the end of term 1 and there has been so much going on that it hasn't been difficult to pack our newsletter with stories, photos and news.

Birds continue to be a central part of Staverton and as I write all of our children and staff have been embarking on a trip to The Hawk Conservancy Trust. As well as learning about these amazing creatures, our whole-school trips serve as a powerful way to bring our school community together.

There is so much in this edition to celebrate. Your children continue to amaze us with their achievements and successes. And let's not forget our incredible staff team, who have worked incredibly hard this term to give every child the best possible start to 2022/23.

One of the best things about working in Wiltshire is the bonus of two extra days at half term! Whatever you happen to be doing with your family, I hope you have a chance (however small) to recharge the batteries.

In the meantime, enjoy our latest edition.

Mr E Powe

Head Teacher

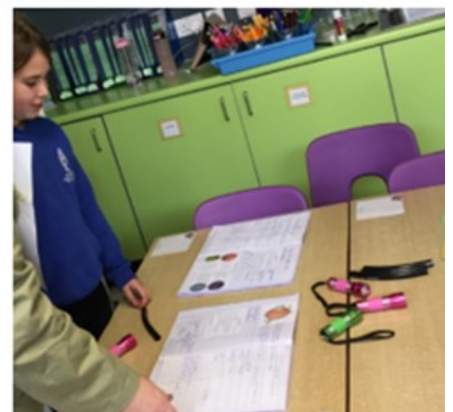

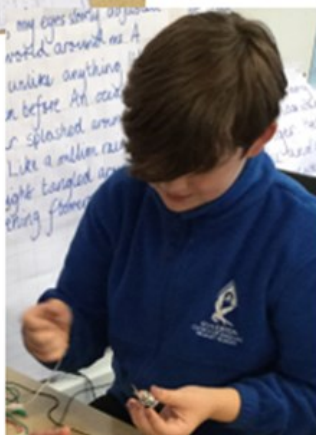

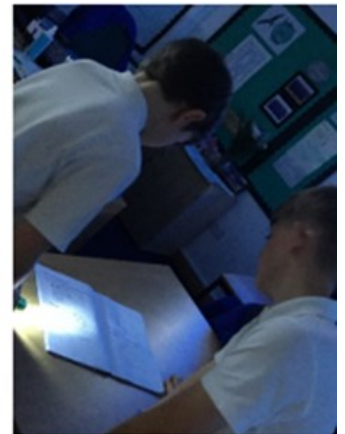

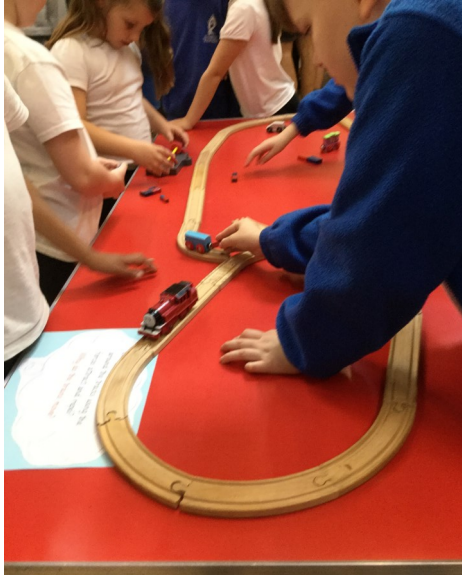

Our Year 3 children took part in 'Walk Safe' this term to learn all about how to cross the road safely and sensibly. They all concentrated really hard and did a super job of crossing the big and busy main road in Staverton.

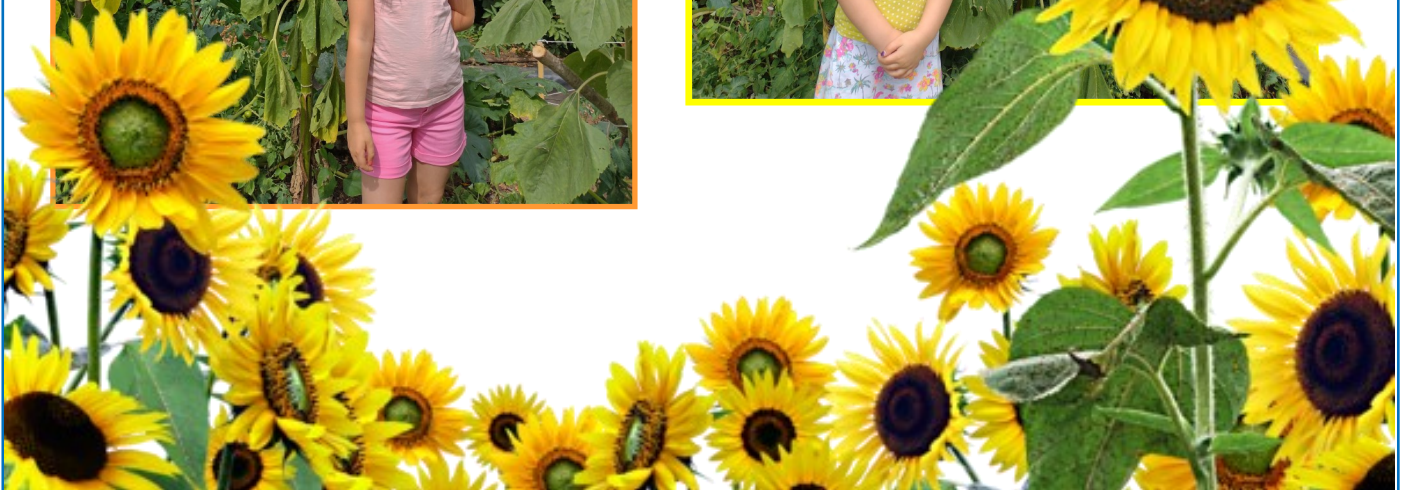

Thank you to all the parents and carers who came to our science fair to celebrate the work the year 3, 4, 5 and 6's have been doing this term. The children had the best time showing you all their work!

Sunflower competition!

We have had some amazing pictures sent into us of the sunflowers you grew over the summer - well done Poppy, Fleur, Ella and Lucie!

School Trip!

As you all know, the children went on their school trip to The Hawk Conservancy Trust this week and a wonderful time
