

Curriculum map for KSI: Sparrows and Nightingales

P.E

This term, we will be focussing on why exercise is important to good health. We will also be identifying how our body feels during exercise and how to use all equipment safely through a range of skills-based activities.

Design and Technology

We are excited to be learning about simple mechanisms and understanding how wheels and axles help a vehicle to move by making our own vehicles.

Personal, Social & Emotional Development

We will be looking at the following topics:

- Life cycles
- How I have changed
- My changing body
- Differences between boys and girls (using correct terminology)
- Learning to express my wishes
- Coping with transition and change

History

In History we will be learning about the Great Fire of London. We will learn what London was like in the past and compare it to what London is like now. We will also be learning how the fire started, why it spread so quickly and how London was rebuilt.

Term 6

R.E

Our big question for this term is "What do Christians believe that God is like?" We will base our discussions around Jesus' teaching through parables written in the Bible and their importance to understanding God. The themes of repentance and forgiveness will also be discussed.

Wider curriculum

We are also excited to learn Italian and to play the Glockenspiel!

Literacy

This term we will be reading and enjoying the 'Barnabus Project' by the Fan Brothers. We will be writing adventure stories about our own imaginary creatures and having a debate about whether we should send back the mysterious new creature that has arrived in our classrooms.

Mathematics

We will be covering the following topics:

Year 1:

- Addition
- Subtraction
- Multiplication and division
- Place value

Year 2:

- Fractions
- Time
- Volume
